### **PURPOSE**

The EHS is a not-for-profit community organisation run solely by volunteers for the benefit of its members. The proceeds from trading contribute towards our shows and hut maintenance.

The Hut carries an extensive range of garden products including fertilisers, soils, composts, canes and garden accessories. Bulbs, tubers and plants are sold in the spring and autumn. Arrangements can be made for members to sell their own plants. The Society holds three shows per year, a number of plant sales and social activities. Membership is £3 per year, per household.
