

RUISLIP CENTRAL HORTICULTURAL SOCIETY

A Message from the Chairman of the Ruislip Central Horticultural Society.

The Ruislip Central Horticultural Society held their latest show in the Great Barn on Saturday the 5th September. It was a successful show with a record number of entries and many Dahlias in a multitude of colours. As to be expected in the autumn, there were a large variety of fruit and vegetables for the visitors to admire. It was noted that the entries in the floral art classes have dramatically improved over previous shows.

Mathew Mountain, the Site Operations Manager for the Manor Farm Complex, presented the prizes and commented on the quality of the exhibits.

Rose Langston thanked the exhibitors for displaying their entries, the stewards for assisting the judges, the catering staff, everybody who had helped put the show together in the morning and the other unsung people working behind the scenes that made the show the success it was.

Visitors are reminded that they are most welcome to attend the shows (entry is free) and any of the meetings that are held in the St. Lawrence Church Hall, Eastcote. See the web page for details. <http://www.succulent-plant.com/ruislip.html>
