--	-----------

Section H. Photographic.

The Geoff Ash Cup for the Best Exhibit	David Minnion
--	---------------

Chairman's Report

The first of the three annual shows of the Ruislip Central Horticultural Society was held at the Great Barn, Bury Street, Ruislip on Saturday, 10th April and weather could not have been bettered by any in a summer month which made for a very successful day.

After what had been a very cold spell (similar to that in 2005) the daffodils bounced back providing the day with a colourful display taking up quite a large area. This was of course complimented by all of the other spring flowers, plants, shrubs, floral displays and even a large amount of cacti, expertly grown by their members.

Refreshments were on hand for those weary of looking at plants, sniffing the scented blooms or purchasing the items that were for sale, in the way of handmade cakes (many made by the Domestic entrants) and of course the usual beverages to wash them down.

The prizes were presented by Peggy Osborne, widow of a previous president – Maurice.

Their next show is the Summer Show on Saturday 26th June. Entrance is free and starts at 2pm with prize giving at 4:30pm.

For further information about future shows or the Society, please visit their web site www.succulent-plant.com/Ruislip.html
