

## R.C.H.S SUMMER SHOW REPORT

Although the day started off being damp at 8am, with the helpers setting up the show, it had brightened up by the time of judging at 11am. By the time show opened to the public at 1pm (to coincide with the Gardens Open for Charity event), the sun was blazing down.

There was a steady trickle of people arriving throughout the afternoon, including those clutching their Open Gardens tickets. Of course many of our members were opening, assisting or visiting the gardens, so show entries were less than in previous years. Even so, the entries being spaced out more than usual, gave the viewing public a good show for their money and maybe it was easier to see more of those actually on display!

The refreshment area was well attended due to them serving cream teas and the usual fare of drinks and cake.

The prizes were presented at 4.30pm by our very own John Millard (accompanied by his wife Pearl), both staunch members for many years and both having much involvement with the quiz nights held in the autumn.

See the gallery for pictures of the show.
