### Comment from the Chairman

There were more entries from even more members than there has been in the last 3 years. In spite of the variable weather and most daffodils being over, the show benches were a mass of colour. The Cactus section was extremely impressive and the Photographic section had an equally large amount of entries making it a most successful show.

The summer show will be held on the 16<sup>th</sup> June at the same venue. Entrance is free and starts at 2pm with prize giving at 4:30pm.
