

RUISLIP CENTRAL HORTICULTURAL SOCIETY

Comments from the Chairman

The RCHS (Ruislip Central Horticultural Society) held their Spring Show on Saturday 5th April at the Ruislip Youth Centre. In spite of the previous cold weather, there was a profusion of daffodils, potted plants and shrubs.

The Childrens', Cactus and the Photographic sections were well represented.

The prizes were presented by Chris and Penny King, whose parents - William and Muriel King were past members. Indeed, William (Bill) King had been Chairman of the Society. Both parents had cups presented in their honour by Chris and Penny on Saturday. Both of their grand parents - Louisa King and Winifred Mealing, were also keen members of the Society and they too have cups presented in their honour. These are to be presented at the Summer and Autumn shows, which will be held at the newly renovated Barn on the 14th June and 6th September respectively.

Ruislip Central Horticultural Society Spring Show 5th April 2008 Prize Winners.
